

Airport Pickup Instructions (for all taxis)

Please follow these directions to the ground-floor multi-story car park pickup point, approximately 5 minutes from Arrivals:

Exit **Passport Control**.

Walk through the **sliding doors** into the main foyer.

Turn **left** and continue down the corridor.

Go through the next set of **sliding doors**.

Turn **right**

Enter the **covered plastic walkway (tunnel)**.

At the end of the tunnel, turn **left**, then take the **first right**.

You will see the **Multi-Storey Car Park (Pick-Up / Drop-Off Area)** directly ahead.

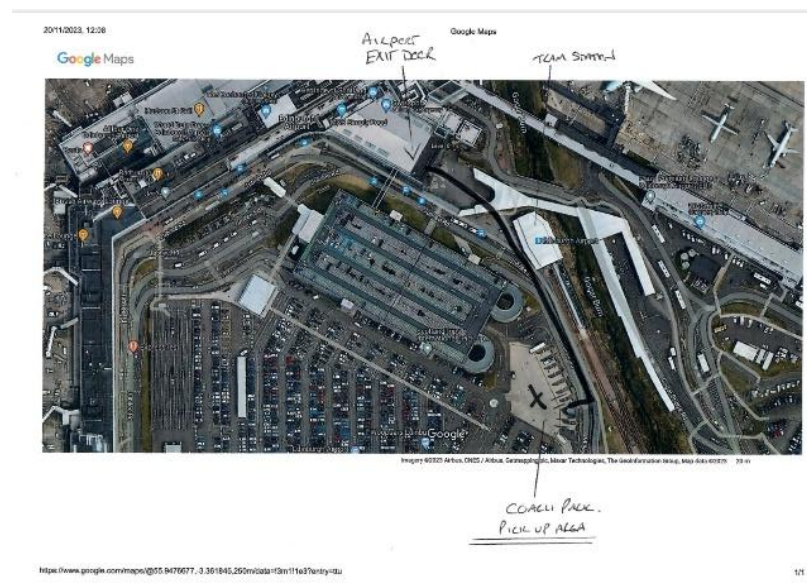

Walk straight through the middle of the car park, using the **white zebra crossing**.

Continue until you reach **Lanes 3 and 4**, which are the furthest lanes away.

Airport Pickup Instructions (for all coaches)

After leaving the terminal, walk towards the tram stop (following signage) outside the airport. Continue past the right-hand side of the tram station and keep walking for a short distance (around 50 yards). Cross the pedestrian crossing into the coach park area beyond the multi-storey car park.

There are 10 bays in the coach pick-up area, and a TTA host will let you know your bay. The coaches are white and black with Docherty's written on the side. Look for the sign marked TTA Transforum.
